Casper City Hall - Council Meeting Room

AGENDA

Distribution of August 27, 2019 Executive Session Minutes

1. Property Management LifeSteps Phase II
2. Agenda Review

Mayor Powell began the pre-meeting session at 5:30 p.m. with Councilmembers Bates, Cathey, Freel, Hopkins, Huber, Johnson, Lutz, Pacheco, and Mayor Powell in attendance.

Mayor Powell began the meeting and Liz Becher, Community Development Director, spoke about the management of the LifeSteps property. Ms. Becher summarized the role of the Casper Housing Authority (CHA) in managing the LifeSteps property during the last five years and indicated that they had requested, and she recommended, that Council extend the contract with the CHA for an additional five years. Council discussed the matter briefly and requested that staff bring forward a contract for consideration at a future Council meeting.

Mayor Powell asked for concerns with the agenda. Councilmember Johnson asked about the fees for the public health licenses, which City Manager Napier addressed. Councilmember Cathey asked about the change order for the compactors storage building, and Public Services Director, Andrew Beamer explained the matter.

Councilmember Huber requested Council consider a resolution he had drafted to honor the agencies that handled the house explosion that occurred on Labor Day, and asked how to do this. City Attorney Henley stated that Council could vote to suspend their rules and suggested carrying this out after the Bright Spot.

Mayor Powell spoke about several meetings he had recently attended, and of several upcoming events in the community.

Mayor Powell adjourned the meeting at 5:55 p.m.
