Establish Public Hearing for August 4, 2020

Recommendation:

That Council, by minute action, establish August 4, 2020 as the date of public hearing for consideration of an ordinance amending Chapter 15.28 of the Casper Municipal Code to adopt the 2020 NFPA 70, National Electrical Code (NEC).

Summary:

As required by State law, the City of Casper must adopt the same building codes as the State within the same calendar year. All the various sections of the City's adopted Building Codes are on a three (3) year update cycle, with the National Electrical Code (NEC) being a year ahead of all other building code revisions. This year, the 2020 NFPA 70, National Electrical Code (NEC) is up for adoption, replacing the 2017 NFPA 70, National Electrical Code (NEC). The State adopted the 2020 NFPA 70, National Electric Code (NEC), effective January 1st, 2020.

As is customary with all Code updates, all 2020 licensed electrical contractors have been made aware that the City is adopting the 2020 NFPA 70, National Electrical Code (NEC). Building Division staff have reviewed the substantive changes that take effect this cycle, and noted that the only significant change will be a new requirement for a Main Electrical Disconnect to be located at the meter service entering both residential and commercial structures.

SUBJECT: Establish Date of Public Hearing for Consideration of an Ordinance vacating Tract G, Mesa Del Sol Addition, as Public Parkland; and Approving a Zone Change of said parcel from PH (Park Historic) to R-4 (High Density Residential)

Meeting Type & Date:

Regular Council Meeting, July 21, 2020

Action Type:

Establishing the Date of Public Hearing

Recommendation:

That Council, by minute action, establish August 4, 2020 as the date of public hearing for consideration of an Ordinance vacating Tract G, Mesa Del Sol Addition, as public parkland; and approving a zone change of said parcel from PH (Park Historic) to R-4 (High Density Residential).

Summary:

The City of Casper is the applicant for the requested vacation of parkland, and associated rezoning for Tract G, Mesa Del Sol Addition. The property is approximately 4.31-acres in size, and was dedicated as parkland in 1995, with the plat of the Mesa Addition No. 3. The property has never been developed or used as a public park, and the area immediately surrounding the property is undeveloped. The City Council has directed staff to get the property ready for disposal/public sale. W.S. 15-1-103(a)(xii) allows for the vacation of public parkland provided that the City must have owned the property for a minimum of ten (10) years, and the property has never been developed or used as a public park. The property meets both criteria.

In order to facilitate the development of the property by any potential future owner, a zone change of the property is also required. Based on the Future Land Use element of the Comprehensive Land Use Plan, as well as the existing zoning in the surrounding area, staff recommends a rezone to R-4 (High Density Residential).

For the Commission's reference, Section 17.40.020 of the Municipal Code is listed below to illustrate the land uses that are permitted in the proposed R-4 (High Density Residential) zoning district.

- A. Assisted living;
- B. Conventional site-built single-family dwellings and manufactured homes with siding material consisting of wood or wood products, stucco, brick, rock, or horizontal lap wood, steel or vinyl siding;

- C. Conventional site-built and modular two-family dwellings;
- D. Conventional site-built and modular multifamily dwellings;
- E. Conventional site-built and modular condominiums for residential use;
- F. Conventional site-built and modular townhomes for residential use;
- G. Bed and breakfast;
- H. Bed and breakfast homestay;
- I. Boarding/rooming houses;
- J. Churches;
- K. Day-care, adult;
- L. Family child care home;
- M. Group homes;
- N. Nursing homes;
- O. Parks, playgrounds, golf courses, and similar recreational activities operated and used primarily during daylight hours;
- P. Schools, public, parochial, and private elementary, junior and senior high;
- Q. Neighborhood assembly uses;
- R. Branch community facilities;
- S. Neighborhood grocery;
- T. Personal service shops;
- U. Professional offices with fewer than twenty employees;
- V. Coffee shops, cafes and restaurants without drive-up windows;
- W. Sundry shops and specialty shops.

The Planning and Zoning Commission voted to support the vacation and zone change after a public hearing on June 18, 2020. There were no public comments. A notice of public hearing will be published in the Casper Star-Tribune advertising the City Council public hearing for three (3) consecutive weeks, per State law regarding the vacation of public parkland. All public hearings are also advertised on the Council agenda page of the City's website (casperwy.gov), and notices are mailed to all property owners within three hundred (300) feet.

SUBJECT: Proposed Ordinance amending various sections of Chapter 6.04 - Animal Care and Control of the Casper Municipal Code

Meeting Type & Date

Council Meeting
July 21, 2020

Action type

Public Hearing
First Reading

Recommendation

Review information and provide direction regarding AN ORDINANCE UPDATING AND AMENDING SECTIONS 6.04.010, 6.04.040, 6.04.180, 6.04.210, 6.04.300, 6.04.301, 6.04.305, AND 6.04.325 OF THE CASPER MUNICIPAL CODE.

Summary

At the June 14, 2020 Work Session, Council provided direction regarding various changes to the Casper Municipal Code, Chapter 6.04 Animal Care and Control. The following changes reflect, hopefully, Council's direction at the July 14, 2020 Work Session:

Section 6.04.010 – Definitions

- The definition of "Attack" was updated to reflect Council's direction accepting the proposed amendment to the definition.
- The definition of "Feral Dog" was added to this Section inasmuch as Section 6.04.040 was modified, as set out below, to prohibit the feeding of non-domesticated animals, including feral dogs.
- Various modifications have been made to the numbering and order of the definitions in this Section to provide for new definitions and for the definitions to be listed in alphabetical order.

Section 6.04.210 – Neglect

- Section 6.04.210 D.1. has been modified to reflect Council's direction in terms of the time period in which an animal may be tethered. Animals may not be tethered longer than ten hours in any twenty-four hour period.

- Section 6.04.210 D.2. has been modified to reflect, hopefully, Council’s direction at the previous work session. After review of the record and discussion with Animal Protection Officers the language was modified as follows, “Animals may not be tethered on a line less than three times their body length measured from tip of the nose to tip of the tail, or eight feet, whichever is more; the safety of the animal shall not be at risk by the use of a tether.”
- Section 6.04.210 G. has been modified to add verbiage, which was previously included in Section 6.04.180E., which requires animal owners to provide his/her animal with sufficient good and wholesome food, clean water, and proper shelter to protect it from the weather.”

Section 6.04.040 Keeping of pets, livestock or fowl; limitations.; feeding of non-domesticated animals prohibited – has been modified to prohibit, “...any person to provide shelter, feed, or to otherwise entice any non-domesticated animal(s) to gather or frequent, with the exception of birds and squirrels, but including feral cats, feral dogs, or turkeys.”.

Section 6.04.3095(a)(i) referencing **Reckless Animal Owners** was modified to add Section 6.04.210 (Neglect) to this section. If an animal owner is found to have violated Sections 6.04.160, 6.04.180, 6.04.210 and/or 6.04.310, three or more times in an eighteen month period, the owner may be declared a reckless animal owner.

Section 6.04.325 - Police canine exclusions, exemptions - was modified removing Section 6.04.010(19) as an exemption inasmuch as the definitions listed in 6.04.010 have been modified and changed over time, and the current definition of 6.04.010(19) is no longer relevant to this Section.

Future amendments may be forthcoming dependent upon additional concerns or comments.

RECITALS

- A. Owner is the owner of certain land as described in Exhibit "A" being a portion of Tract 17, Swingle Ranch Tracts, located in the S1/2 of Section 24, Township 33 North, Range 80 West of the 6th P.M., in Natrona County, Wyoming, with an address of 5255 CY Avenue, Casper Wyoming 82604, which is not within the corporate limits of the City of Casper; and,
- B. Owner desires to obtain water service from City for such property as described in Exhibit "A"; and,
- C. Owner can connect by a service line into the 12-inch water main located in Tavares Road; and,
- D. Owner and City have agreed to such outside-city water service under the terms and conditions of this Agreement.

NOW THEREFORE, it is hereby agreed among the parties as follows:

1. Service

- a. The property served shall be limited to that described in Exhibit "A." No other properties shall be served without the express permission of the City Council of the City of Casper.
- b. Owner shall be allotted one (1), water service connection and meter to the property shown on Exhibit "A." No other properties may be served from this connection.
- c. The Owner shall install one, ¾-inch or 1-inch water service line from the building to be served to the curb box or meter pit at the property line at the Owner's sole cost and expense. The water service line curb box shall be installed approximately ten (10) feet from the transmission line.
- d. The Owner shall be responsible for obtaining easements from other property owners for the water service line as needed at its sole cost and expense.

2. Right of Inspection

- a. The City shall have the right to inspect all water system construction. All water system construction must meet City requirements. Before connection of the water services to any building, all work must be accepted and approved by the City.
- b. The curb box for the water service line shall be protected during the subsequent course of developing the property from damage, and the Owner shall be wholly responsible for the repair and replacement to the City's satisfaction of such that are damaged or destroyed. If the Owner shall fail or refuse to promptly repair or replace such boxes as required, the City may do so and charge the Owner directly for said cost. The Owner shall adjust said valve and curb boxes to finished grade.

3. Charges for Service

- a. All meter pits, vaults, and water meters, as required by the City's staff, shall be obtained and installed by and at the Owner's sole cost and expense according to the rules and regulations of the City. The meter pit or vault shall remain the property of the Owner and be located on the property lines.
- b. Owner will pay to the City the then-current outside-City system investment charge for each connection (lot) to be served with water. The Owner shall also pay to the Central Wyoming Regional Water System Joint Powers Board, the then-current Regional Water System investment charge for each connection to be served with water. Payment will be made prior to actual receipt of water service provided by the City.
- c. After annexation, the rates will be the existing rates for retail inside-City water service.

4. Regulation

- a. Water service to be provided shall be only to the extent provided for herein and to the extent that said water service is available and above that which is necessary to satisfy the needs of the incorporated area of the City of Casper. In times of drought, extreme demand, or facility failure, water service may not be available.
- b. Owner shall make the necessary provisions so that each building to be served shall have a pressure reducing valve limiting pressure to a maximum of 60 psi, and shall encourage all residents to adhere to the following water saving device recommendations: toilets with a maximum flush of 3 1/3 gallons; aerators which provide for a maximum flow of 1 gpm on all bathroom sinks; and water saving shower heads to limit flow to maximum 3.0 gpm.

- c. 5. Fire Flows

- a. The Owner agrees that fire flow capabilities to his properties are impractical at this time. The Owner, by signing this agreement, understands that there are certain risks that Owner and Owner's property may be subject to by not having fire flow capabilities. The Owner is willing to assume these risks and irrevocably, fully and forever releases and discharges the City of Casper, the City Council, and its mayor, the Casper Public Utilities Board, and all their officers, employees, agents, managers, and contractors from all negligence, claims, demands, liabilities, causes of action, or damages of any kind relating to any harm, personal injury, wrongful death, property damage, or debt suffered resulting from lack of fire flow to Owner's property.
- b. The terms of this release in this Agreement are contractual and not a mere recital. If the property is owned or leased by the Owner, and anyone else as husband and wife, tenants in common, partnership, corporation, or any other legal entity other than an individual, Owner hereby states and certifies that the Owner is authorized by such individual or other entity to bind such individual or entity to this release. This release shall be binding upon the Owner's personal representatives, heirs, successors, and/or assigns. The Owner acknowledges by execution of this release that Owner fully understands these provisions and fully and voluntarily enters into them. This release shall not affect any immunities of the City of Casper pursuant to the Wyoming Governmental Claims Act, Wyoming Statutes Section 1-39-101 et seq., as amended.

6. Construction Term

The Owner shall be allowed two (2) years from the time of consummation of this Agreement to complete the water service line construction and necessary improvements. Should the construction not be completed within this time period, this Agreement shall automatically become null and void.

7. Annexation

- a. The Owner hereby agrees to annex its property to the City upon the request of the City Council, or upon a property owner's petition for the annexation thereof. The Owner and its mortgagee(s) shall execute a commitment to annex its property to the City of Casper on a form acceptable to the City of Casper. The commitment to annex form shall be executed concurrently with this agreement. It shall provide

that the commitment to annex shall be binding upon the Owner and its mortgagee(s), their heirs, successors, and assigns forever, and shall be included in every sale, conveyance or mortgage involving the above-described property. It shall further run with and bind the real property described and set forth in Exhibit "A." This Agreement shall terminate, and be null and void between the parties, and the City shall have the right to terminate all services provided under this Agreement if the Owner fails to annex its property to the City within one (1) year after being requested to do so by the City Council, or within one (1) year after the City Council's approval of a property owner's petition for the annexation thereof.

- b. Upon annexation and thereafter, Outside Property Owners shall dedicate all rights of way and easements deemed necessary to the City, all in a form acceptable to the City and meeting Casper Municipal Code requirements.

MEMO TO: J. Carter Napier, City Manager 

FROM: Renee Jordan-Smith, Executive Assistant 

SUBJECT: Authorizing Third Amendment to the Amoco Property Reuse Joint Powers Agreement Between Natrona County, Wyoming and the City of Casper, Wyoming

Meeting Type and Date:
Regular Council Meeting
July 21, 2020

Action Type:
Resolution

Recommendation:
That Council, by resolution, authorize approval of the third amendment to the Amoco Property Reuse Joint Powers Agreement between Natrona County and the City of Casper.

Summary:
The Amoco Reuse Agreement Joint Powers Board is desirous of amending the Amoco Property Reuse Joint Powers Agreement between Natrona County and the City of Casper to increase the maximum number of consecutive terms a board member may serve to three (3) consecutive terms rather than two (2) consecutive terms before being required to be off the board for at least one (1) year.

The board has requested that both Natrona County and the City consider amending the joint powers agreement to provide that a board member may serve three (3) consecutive terms before being required to be off the board for at least one (1) year. This request is made to help prevent the loss of institutional knowledge and experience if the terms of multiple board members end simultaneously.

Representatives of the County and the City met, and tentatively agreed to make this change, which now needs to be approved by both the Natrona County Commissioners and the Casper City Council to be effective. The City of Casper and Natrona County are parties to the Amoco Property Reuse Joint Powers Agreement which created the Amoco Reuse Joint Powers Board.

To carry out this intent, a "Third Amendment to the Amoco Property Reuse Joint Powers Agreement between Natrona County, Wyoming and the City of Casper, Wyoming" accompanies this memo for your consideration.

All appointments of successional members shall be made by the governing body(ies) which made the appointment of the retiring member.

III: RATIFICATION OF THE AGREEMENT AS AMENDED

The Parties hereby ratify the terms and conditions of the Agreement as amended hereby. All other provisions of the October 20, 1998, Amoco Reuse Joint Powers Agreement and the Second Amendment to the Amoco Reuse Joint Powers Agreement dated February 4, 2014, shall remain in full force and effect. IV: MISCELLANEOUS AGREEMENTS OF THE PARTIES

This amendment may be executed by more than one copy, however, each copy shall constitute one in the same agreement.
